

How to Host a Virtual Games Night for Variety BC

A Games Night with friends is always a night to remember! Charades, Pictionary, Heads Up! and Scattergories are just a few of the games that can easily be played with friends virtually while raising funds for BC's kids with special needs!

1. Create a 'Zoom' account (www.zoom.us) to host your Games Night.
2. Create a virtual fundraising page through Variety BC's fundraising platform (supporting.variety.bc.ca/E4V).
3. Schedule your Games Night through Zoom and e-mail your fundraising page to attendees.
4. Ask attendees to donate the amount you have chosen to participate in the Games Night (we recommend a minimum of \$15 per person) in exchange for the Zoom Meeting ID to join the fun.
5. Contact Katelynn at Variety BC (katelynn.potter@variety.bc.ca) to receive decorations and prizes (balloons, stickers, banners, etc).
6. Prepare the content for your games – a number of resources are available online:
 - <http://www.getcharadesideas.com/>
 - <https://randomwordgenerator.com/pictionary.php>
 - <https://scattergoriesonline.net/>
7. Enjoy a fun-filled evening with friends all while helping BC's kids with special needs ... *plus* don't forget to take photos/videos and tag Variety BC on social media!
