

## How to Host Virtual Trivia for Variety BC

Trivia helps you to exercise your brain while showing all your friends how much you know. You can use an app to play Jeopardy, grab a deck from Trivial Pursuit or create your own pub-style Trivia Night to test your friends and raise fund for BC's kids with special needs!

1. Create a 'Zoom' account ([www.zoom.us](http://www.zoom.us)) to host your Trivia Night.
2. Create a virtual fundraising page through Variety BC's fundraising platform ([supporting.variety.bc.ca/E4V](http://supporting.variety.bc.ca/E4V)).
3. Schedule your Trivia Night through Zoom and e-mail your fundraising page to attendees.
4. Ask attendees to donate the amount you have chosen to participate in Trivia Night (we recommend a minimum of \$15 per person) in exchange for the Zoom Meeting ID.
5. Contact Katelynn at Variety BC ([katelynn.potter@variety.bc.ca](mailto:katelynn.potter@variety.bc.ca)) to receive decorations and prizes (balloons, stickers, banners, etc).
6. Prepare your trivia – use the Jeopardy app, purchase Trivial Pursuit, use an online resource or create your own:
  - <https://www.challengethebrain.com/questions-and-answers-pub-quiz.htm>
  - <https://laffgaff.com/bar-trivia-questions/>
7. Think about adding an extra challenge (ie. donate an additional \$1 for every incorrect answer).
8. Warm up your hosting voice and quiz your friends while helping BC's kids with special needs ... *plus* don't forget to take photos/videos and tag Variety BC on social media!
